PRIORITY MAIL PACKAGE TRACKING

Case No. 3:21-MJ-366

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the

package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On October 6, 2021, I intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail small flat rate box, bearing tracking number 9505515040271277567477, postmarked October 4, 2021, with the following address information:

**Sender:** TERRY BELL  
9431 WhiTTiER Blvd. APT. 6  
Pico RivERA

**Addressee:** TERRI BELL  
909 GAWAIN, CIRCLE  
WEST CARROLLTON, Ohio  
45449

Pico Rivera is a city in the southern part of California. Through training and experience as a Postal Inspector, I know that Southern California is known drug source location. I also noticed an excessive amount of taping upon the Package.

4. I performed a check in CLEAR database for the addressee’s information on the Package of “TERRI BELL 909 GAWAIN, CIRCLE WEST CARROLLTON, Ohio 45449.” CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no “Terri Bell” associated with 909 Gawain Circle, West Carrollton, OH 45449.

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “TERRY BELL 9431 WhiTTiER Blvd. APT. 6 Pico RivERA.” According to CLEAR, there was a “Terry Bell” associated with 9431 Whittier Blvd, Apt 6, Pico Rivera, CA 90661 but is not

currently associated with that address. Also, according to CLEAR "Terry Bell" has a criminal history that includes drug possession.

6. On October 6, 2021, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. "Weston" is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no current known association between the sender and return address, (ii) no known association between the addressee and recipient address, (iii) heavy taping on the package, and (iv) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package. Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

On 10/6/21, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Weston" did alert to and indicate upon: [describe item]
